

Appl. No. 10/641,303  
Amtd. dated May 24, 2004  
Reply to Office action of April 28, 2004

**REMARKS**

Reconsideration of this application is requested. The claims presented for reconsideration are Claims 21 through 29.

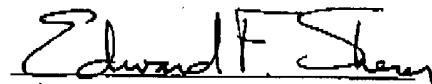

Claims 21 through 29 stand rejected under obviousness-type double patenting based on Claims 1 through 85 of United States 6,632,971. Applicants respectfully traverse this rejection.

In the interest of expediting the prosecution of the present application, enclosed with this response is a Terminal Disclaimer for United States 6,632,971.

It is submitted that the filing of the enclosed Terminal Disclaimer removes all remaining matters with regard to the application. Favorable action thereon is respectfully requested.

Respectfully submitted,
